

# CPI-HR is committed to delivering timely and useful industry information!

*It is our intent to keep our clients abreast of market trends, changes in legislation, and applicable compliance-related issues.*

It would be difficult to find a more dynamic industry than the health and welfare benefits industry. Legislative issues move into and out of the spotlight, consumer concerns evolve, new products and programs emerge, and you need to be kept informed.

CPI-HR is vigilant about staying on top of the latest news and information and passing it along to you quickly and comprehensively. We publish a variety of electronic communications and host meaningful seminars and webinars to ensure you have all of the information you need to excel on the job.

## What types of communication can you expect from CPI-HR?

**Monthly Newsletters**, offering up-to-date industry information for our Benefits, Payroll, and Administration Services clients.

**Smart Webinar Series**, covering compliance-related topics of interest intended to help our clients avoid common pitfalls that affect many small businesses.

**Seminars**, CPI-HR hosts information sessions with keynote speakers that can include leading insurance, benefits, HR, and wellness experts. These seminars are offered to meet the informational and networking needs of our clients.

**Carrier Updates**, CPI-HR has strong relationships with more than 100 insurance carriers. As we receive information concerning new products, features and rate changes we share that information with our clients via email as it becomes available.
