

SMART COMPLIANCE

An HR Assist Service

Avoid costly mistakes that impact productivity and profit!

Smart Compliance is an integral part of HR Assist because we know that Human Resources can be a complicated industry with ever changing laws and regulations.

Smart Compliance offers easy to use resources that will allow you to stay informed of the latest news and laws so that you can ensure your company is staying compliant with various regulations.

CPI-HR is able to bring you valuable tools and exclusive resources through our compliance platform, including:

Inform on Reform provides accurate clarifications and interpretations on Health Care Reform and offers proprietary tools to help you navigate PPACA. The program is maintained by our Compliance Director and his team of employee benefits attorneys.

Smart Webinars focus on timely topics of interest in one-hour sessions each month. Each webinar includes an interactive question and answer session that provides you with the opportunity to receive answers to your compliance-related health and welfare benefit questions from an expert.

ERISA Support provides Health and Welfare Compliance resources and tools, including: the ability to ask questions with responses from our nationally recognized Compliance Director; checklists; a calendar of important events and deadlines; an audit tool; and Medicare Part D resources. This service also provides an annually updated Health and Welfare Compliance Guide.

Employment Law Support provides: toll-free and on-line access to attorneys from a national law firm; documented responses to your specific employment law questions no later than the next business day with the attorney/client privilege attached; and access to an on-line destination which includes state and federal news, monthly HR Express Updates, and more!

HR Genius is a comprehensive HR and benefits resource and reference library composed and maintained by employment lawyers and HR experts. The site covers topics such as: Employee Benefits; Human Resources; and Employee Recruitment. Additionally, the site provides: Hundreds of Downloadable Forms; Handy Policies and Checklists; Links to Federal and State Government sites; News and Analysis; Frequently Asked Questions; HR Dictionary; and more.
